

EPEA Webinar on the next Conference in Skopje November 11th-15th, 2025

March 27th, 2025 – from 17.00 – 18.30 (CET = GMT +1)

EPEA conference in Skopje – What does expect you there?

We are planning to have our next EPEA training conference in Skopje from Tuesday afternoon, November 11th, until Saturday noon, November 15th. Our partner in North Macedonia is EKE Bitola, an NGO involved in Education in prison and known from co-operation in the framework of Erasmus+ projects.

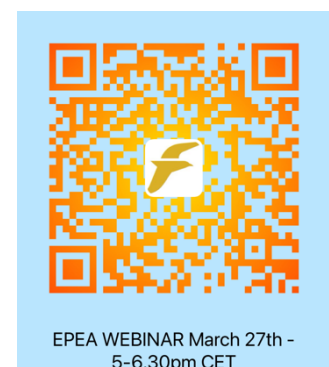

The theme of the conference is "Open Up the Dialogue - Let's talk" and we want to hear about collaborative work between students, teachers, researchers, prison officers and prison authorities.

Join us to hear from the hosts of the conference about what to expect when you visit Skopje, and also from the EPEA Steering committee about the conference theme arrangements. This is a great opportunity to ask questions prior to submitting your application.
